

MATOUK

Fall 2022

## Fall 2022 Introductions

Introducing the Fall 2022 collection: an array of newness that reworks and reimagines designs from the Matouk and Schumacher archives, for a fresh take on our signature styles, qualities and finishes.

Ideal for the season's cooler nights, our two new matelassé coverlet styles are Athena, which draws inspiration from a geometric Schumacher's upholstery design, and Petra, a classic diamond design and new collection staple. With its versatile simplicity, Petra is also the perfect base for our ever-popular Mirasol, Aziza and Daphne embellishments, combining to offer a range of new coordinating options. This idea of combining Matouk signatures is woven throughout the collection. New sheeting styles include Bel Tempo Nocturne and Classic Chain Scallop, as well as fresh additions to the Hemstitch Collection: Gatsby, our highest thread count sheeting, Bergamo, our lightest weight percale, and Talita, our Giza Egyptian cotton sateen. We also welcome August Plaid, a refined distillation of Schumacher's classic check on our remarkably smooth percale sheeting.

Decadent new essentials for the bathroom include the Francisco towel and rug, both defined by a handsome ribbed texture and looped zero-twist yarns, and the August Plaid and Petra shower curtains. The kimono-inspired Rubia robe in pure linen is an effortless layer for everyday lounging, and the vibrant Tallulah Palm towel makes a bold centerpiece at the beach.

Expanding our table linen collection, Schumacher's Magic Mountain print draws on the motifs of ancient myth and legend to bring a lively tangle of mythical creatures to the party, while Apollo Stripe brings a warm, antique feel to any table. Our new line of tissue box covers add a playful, practical touch to the home with a range of eye-catching prints and embroidery designs, each selected from the Schumacher archive and reinterpreted in Matouk qualities and finishes.

Completing the Fall collection with a flourish, the new mini pillow collection is the perfect way to mark life's most special moments. Designed to be personalized with names, dates and messages, each is an exquisite keepsake and future heirloom.
